Chairman Craig Wagner called the meeting to order at 12: 00 pm

There was no agenda to approve. This meeting was dedicated to The Bigfork Neighborhood Plan. Some goals and policies were brought up at the Flathead County Planning and Zoning Board Meeting held on April 9, 2008 that were questionable to an individual and since the Planning Board's new members had not had time to go over the plan it was decided to hold a workshop meeting with the County Planning and Zoning Board on June 25, 2008. Since the Supreme Court of Montana has issued a ruling that all Neighborhood Plans could be regulatory documents, which is not the belief of the Flathead County Planning and Zoning Department. The Department will be holding a meeting with the County Attorneys on June 11, 2008 to make a determination as to how they will be handling this matter, which is why we will meet at a later date to review the Bigfork Neighborhood Plan. The BSC and BLUAC decided to hold a workshop meeting to look at the specific items brought forth. We had BJ Grieve's list and the minutes from the County Board meeting. Each item was looked at individually, and discussion was held. Some items were edited, and some were left as originally written and some minor corrections were made.

The Meeting was adjourned at 1:40
